This fifth edition of Select Art is a gallery or dealer only fair. Participating galleries also gain the options to have their Virtual booth in VIFAF separated to their physical booth at the fair. VIFAF select art editions then also goes live then during the same times as Select Art. Posterus 360 / VIFAF Building the 8th floor and will be also featured at the fair in VR with oculus.

Select Art selects its participants with a expert international board existing out of Museum directors, Art historians, archeology experts, Gallerists and Fair directors. This way we guarantee our visitors a high quality exhibition and fair. Select Art's exhibitor selection process is rigorous, and all objects are verified by an international committee of experts before the fair opens its doors to the public. This enables visitors to buy with the greatest confidence. The opening will take place with a gala event, this at the evening before the fair. With live music, walking dinner and much more. The opening is on invitee only, press, vip selected guests, etc. This year Select Art displays more than 350 artworks, Physical as well in VR from more than 130 artist and galleries.
